Always consult your doctor or physician before applying a faster tempo

We meet from 10am to noon-ish on the 2nd, 3rd and 4th Saturday of every month at the Parkside Coffee Shop, in the back of the Cedar Ridge Church, 8835 Lackman Road, Lenexa, KS.

Acoustic instruments are welcome. We play predominantly Old Time, Contra Dance and Irish tunes in ensemble style (rather than break-passing style). This is an intermediate level session, although we frequently start tunes at an inclusive tempo and often pick them up in speed as we go.

Welcome!

This group has been meeting since 2007 at the Parkside Coffee Shop, which is in the back of the Cedar Ridge Church in Lenexa, KS. We mainly play Contra Dance, Old Time and Irish tunes such as the tunes found in this book. We do encourage you to bring something you enjoy into the group, even if it is not exactly a match with what you see here.

We start many tunes at a speed where everybody can play and often end up picking up the pace.

Acoustic instruments are welcome, as are some gently electrified instruments (keyboard, electric bass). We've played with violins, violas, cellos, banjos, flutes, recorders, whistles, hammered dulcimers, guitars, mandolins, mando-cellos, harmonicas, accordions, singers, bodhran, spoons, cajon, ventriloquist dummies, upright bass, electric bass, ukulele and likely others.

Most of our tunes are notated in both treble clef and bass clef.

Thank our Host

The Parkside Coffee Shop has been a gracious host to us from the start, and has never asked for anything in return other than the music we enjoy playing so much. We appreciate your help in making sure the space is left in better shape then we found it in, and certainly get something from the coffee shop if you wish.
